

Great, let's walk through the **“And I Saw...”** page step by step in a clear and simple way 😊
(I'll group similar visions so it's easier to follow.)

🌟 1. **“And I saw a throne...”**

What is seen:

- **A throne in heaven**
- Someone sitting on it (Elohim)
- Light, glory, and majesty around it

Meaning:

- The throne represents **Elohim's authority**
 - Everything that happens later comes from this throne
- 👉 Message: **Elohim is in control of everything**

📄 2. **“And I saw a scroll with seven seals”**

What is seen:

- A scroll (book) sealed tightly
- No one can open it at first

Meaning:

- The scroll = **Elohim's plan for the future**
- The seals = it is **hidden and protected**

Then:

- Only the **Lamb (Messiah)** is worthy to open it

👉 Message:

Only the Messiah has authority to reveal and carry out Elohim's plan

3. "And I saw a Lamb..."

What is seen:

- A Lamb that looks like it was sacrificed
- Yet it is alive and standing

Meaning:

- The Lamb represents **Yeshua (Messiah)**

- Sacrificed → death
- Standing → resurrection and victory

👉 Message:

Power comes through sacrifice, not force

🐎 4. “And I saw... four horses” (The Four Horsemen)

Each horse represents something happening on earth:

○ White horse

- Conquest / spreading influence
- 👉 Could mean truth spreading OR rising power

● Red horse

- War and violence
- 👉 Peace removed from earth

● Black horse

- Famine / economic hardship
 - 👉 Food becomes scarce and expensive

● Pale horse

- Death
 - 👉 Widespread suffering and mortality

👉 Message:

These show **real-world troubles unfolding under Elohim's plan**

⚖️ 5. "And I saw souls under the altar"

What is seen:

- People who were killed for their faith
- They are crying out for justice

Meaning:

- These are **faithful believers who suffered**
- They are waiting for Elohim's justice

👉 Message:

Elohim sees suffering and will **eventually bring justice**

🌍 6. “And I saw... a great earthquake”

What is seen:

- Earthquake, darkened sun, falling stars

Meaning:

- Symbolic of **major world upheaval**
- Not just physical, but spiritual shaking

👉 Message:

Everything that seems stable can be shaken

👥 7. “And I saw... a great multitude”

What is seen:

- A huge crowd from all nations
- Wearing white robes

Meaning:

- People who are saved / faithful
- White robes = purity and victory

👉 Message:

Despite chaos, many will be **redeemed and protected**

👉 8. “And I saw angels...”

What is seen:

- Angels holding back forces
- Angels carrying out actions

Meaning:

- Angels are **agents of Elohim’s will**
- Nothing happens randomly

👉 Message:

There is **order behind the scenes**, even in chaos
